Job #1975

ASSOCIATE/SR. ASSOCIATE

The firm is seeking an Associate and/or a Sr. Associate to join its Boston-based private credit secondaries team. This is a unique opportunity to be part of a founding team within a well-established investment platform. The Associate will work closely with senior team members on all aspects of the investment process. The ideal candidate will be comfortable in a fast-paced, entrepreneurial setting and will take an active role in shaping the team's investment approach.

RESPONSIBILITIES

- Participate in the investment process, from sourcing and diligence through execution and monitoring
- Perform financial modeling and valuation analysis of private credit portfolios and structured transactions
- Conduct due diligence on underlying credit assets, including analysis of portfolio performance, industry dynamics, and counterparty risk
- Aid in the preparation of investment memoranda & presentation materials for investment committees
- Interact with general partners, intermediaries, and other market participants to source opportunities and gather market intelligence
- Monitor existing investments and support ongoing portfolio management efforts
- Work closely with a small team of experienced investors in a dynamic and highly collaborative environment
